Allowable Subject Matter

Claims 1-18 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or teach, taking claim 1 as exemplary, a method for identifying faulty functional logic, particularly comprising: performing a test on the functional logic using a stress clock signal, wherein each pulse of the stress clock signal is of a shorter duration than each pulse of the normal internal clock signal, in combination with all of the features as recited in each of the steps of the method in total.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
